New Mexico photographers have once again donated their time and talent to capture the spirit of dozens of New Mexico foster children who are dreaming of finding a "forever family". Born in Santa Fe in 2001, CYFD's Heart Gallery concept has spread to nearly every state and to Canada, helping thousands of foster children find loving, permanent families. Visit [heartgalleryofamerica.org](http://heartgalleryofamerica.org) for more information about this CYFD/New Mexico initiative. Visit [www.CYFD.org](http://www.CYFD.org) to view the NM Heart Gallery.
